

SANGI to exhibit at the International Dental Show (IDS) 2025 in Germany

Sangi is excited to announce its participation in the International Dental Show (IDS) 2025, following its successful participation in 2023. Held every second year in Germany, IDS showcases the latest innovations in the dental industry and consistently draws global attention for its cutting-edge technologies and products.

SANGI will be presenting its enamel-remineralizing nano-hydroxyapatite lin-up APAGARD, APADENT, and APAPRO, along with hosting dedicated seminars on these products. Please see the schedule below for seminar times.

Speakers' Corner: Dr. Rocio Lazo (Passage 4/5 V005)

Dr. Lazo will give a practice-oriented lecture on minimally invasive dentistry using nano-hydroxyapatite at the Speakers' Corner in the light-flooded passage between Halls 4 and 5 (Booth: V005) at 10 a.m. on Friday, March 28. She will give her audience inspiring ideas for their daily work that can be put into practice the following Monday. Dr. Lazo will also be available to talk to visitors to the Sangi stand during the week (Hall 5.2, 111) on March 25, 26, 27 and 28. (Please check online for the specific times)

• Visitors to the SANGI stand can get various free samples* to take home with them during the IDS, which runs from March 25 to 29, including a sample package containing the new APAGARD eco toothbrush plus a 20 g trial tube of APAPRO Professional Homecare. Although supplies are limited, early visitors who take photos at the stand and then post them on social media tagging Sangi_europe may also receive a special APAGARD gift package containing an exclusive not-for-sale amenity pouch with a crystal charm, along with APAGARD's appealing Crystal Toothbrush and the popular PREMIO hydroxyapatite toothpaste (20 g).

* While stocks last

SANGI's booth will be located in **Hall 5.2 Stand D111**.
